

# *Eat Local and Win in Wallingford!*

During this trying time many of our local independent restaurants are staying open, not only to provide us with food, but to keep their business afloat and their staff employed.

## **Eat Local and Win!**

Spend at least \$15 at a local restaurant  
between April 10 to May 29

and enter into a raffle to win a \$25 gift card to one of the local restaurants that have remained open during the COVID-19 crisis.

\*Please include your name, phone number and email on the receipt.

You can enter every time you purchase \$15 worth of food from a local eating establishment.

Send your receipts to:
